Sir:

The Notice under 37 CFR 1.251-Pending Application was received in the above-captioned application. However, the Notice seems to have been erroneously issued since Applicants have not received any Notice of Allowance, nor did Applicants file any documents on August 20, 2003 in this case. The Patent Office is requested to contact the undersigned should Applicants' understanding be incorrect.

Attached is a Form PTO-2053-B, as required.

Further, a search of PAIR does not indicate an allowance or list any documents with a date of August 20, 2003. (A print-out of PAIR for this application is attached to this response.)

Respectfully submitted,
